

The Lucitone Digital Print™ Denture

Time to Touch Base with the Future

Keating Dental Lab has provided dental practices with the highest quality restorations, paired with reliable, friendly service since 2002.

As a family-owned and operated lab, we treat our dentists like we would our own. Our goal is to provide doctors with the expertise of a national lab, and the convenience of a family-run lab.

BODY ACTIVATED, HIGH IMPACT, PERMANENT DIGITAL RECORD

Denture fabrication has seen relatively minor advancements... until now!

With the advancement of Digital Dentures, Keating Dental Lab can provide superior, predictable results in just three appointments.

The high impact denture resin along with the IPN 3D™ denture teeth - all forming a premium appliance that provides significant benefits over traditional material systems.

THE LUCITONE DIGITAL PRINT™ DENTURE BENEFITS:

- Higher Patient Satisfaction
Better retention and adaptation to anatomy
- Body Activated Material
Responds to body temperature to increase strength two-fold
- Permanent Digital Record
Easily replace damaged denture
- High Impact with IPN Durability
Deliver exceptional wear and stain resistance
